Date _____ / _____ / _____.

Name of Child: _____

As the parent or guardian of the above child, I recognize that too much sunlight may increase my child's risk of skin cancer later in life.

Therefore, I give my permission for the staff at Kids Place to apply Rocky Mountain Sunscreen SPF 50 TiO₂ to my child during the day.

I further understand that sunscreen may be applied to exposed skin, including, but not limited to the face, tops of ears, nose, ears, shoulders, arms, and legs.

Please check all applicable information regarding the type and use of sunscreen for my child:

- Staff may apply Rocky Mountain Sunscreen SPF TiO₂, certified by the AMC Cancer Research Center as a top-quality sun protection product, to my child throughout the camp day.
- I have consulted with my child's physician, and do not know of any allergies or allergic reactions my child may have to Rocky Mountain Sunscreen SPF TiO₂.
- NO. PLEASE DO NOT APPLY THIS SUNSCREEN TO MY CHILD.**
I will provide sunscreen for application.
